

Ongoing Internship Opportunities

- [USAJOBS](#) - which is a superset of the federal links below.
- [Zintellect](#) lists government funded opportunities at colleges and businesses.
- [The National Aeronautics and Space Administration \(NASA\)](#) has summer opportunities. NASA has summer and year-long internships at locations around the country including Fairmont WV and Greenbelt MD near DC as well as working remotely. [Intern.NASA.gov](#)
- [The National Science Foundation \(NSF\)](#) Summer Scholars funds campus programs and company programs that offer semester and summer internships in the sciences.
- [The National Institutes of Health \(NIH\)](#) has a Summer Internship Program (SIP) for high school and college students. Interns work in labs and present their science posters at the end of the summer. Note the National Cancer Institute (**NCI**) has a large campus at Ft. Detrick, Frederick MD.
- [US Air Force](#) accepts STEM students to study under **USAF** scientists at one of three locations under the [Repperger Research Intern Program](#). Application deadline mid-February.
- [Pathways](#) -(Under usajobs.gov search “student intern” and location “West Virginia”.) Pathways also hires recent grads; [here](#) is May 2020 Pathways listing for IT jobs at various **IRS** facilities including Kearneysville and Martinsburg WV. Other sites that list these openings include Google and Handshake.
- [The US Capitol Police \(USCP\)](#) post their own job descriptions, even though the applications are also on USAJOBS.
- [Peace Corps](#) volunteers help people in other nations. Peace Corps also trains students for volunteer internships in the USA. Interns work in data analytics, as [ambassadors](#) (recruiters), or other positions. New opportunities open every year. Sign up for email alerts so you’ll know when to apply.
- [JLG](#) makes vehicles for construction sites. JLG has R&D facilities in Hagerstown MD. See the [careers](#) and [internships](#) pages at the parent company, OshKosh Truck. JLG has paid internships in mathematics, real-time data analytics, autonomous vehicle algorithms, microcontrollers, embedded systems, controller networks, virtual reality simulations, and manufacturing.
- [Volvo Group](#) has truck building factories in [Hagerstown](#) MD. Volvo has several [programs for engineering students](#): summer jobs, internships, and thesis projects. Volvo Group does

not own Volvo Cars. [Fall 2020 co-op](#) in mechanical or systems engineering. [Fall 2020 co-op](#) in control systems engineering. [Fall 2020 co-op](#) in electrical engineering.

- **[US Army Corp of Engineers](#)** - is always hiring interns pursuing careers in engineering, architecture, or an associated field.
- **[General Dynamics](#)** Mission Systems takes interns all over the US. Click on Careers and search for “intern” and USA.
- **[JP Morgan](#)** employs 50K software engineers! See [SE internships](#) and full time jobs.
- **[Sparksoft](#)** has offices in Fairmont WV, Herndon VA, and Columbia MD. Sparksoft hires interns for junior computer and data positions. Search [careers](#).
- **[UPchieve](#)** organizes volunteer college students to become online part-time tutors for low-income high school math students. UPchieve also has job openings e.g. [software engineer](#).
- **[Microsoft has internships](#)** for high school, college, and graduate students.
- **[AcelInfo](#)** has internship, co-op, and entry-level IT positions. See [careers](#).
- **[Brethren Mutual Insurance Company](#)** in Hagerstown MD has an internship for math students. See [careers](#).
