

1776

Equipment: Quest 3

Set up:

1. Turn on the headset and create a new boundary. The playspace should be standing and allow for full range of arm motion.
2. Open the App Library, then "Unknown Sources."
3. In "Unknown Sources," find and select the "vr1776" app

Controls/Navigation:

- Trigger to select options
- Hold grip to grab objects
- Push joystick forward to teleport

Gameplay:

1. The experience will open with a white door in front of you and a sign with teleportation instructions to your left.
2. Teleport toward the door to enter the experience.
3. The player will see 5 panels with options to interact with; there will be an interactive map on the rightmost side
 1. The player has to interact with the slider to change between 2 maps.
4. In the next panel, there are 4 interactable objects (Liberty Bell, 1776 \$2 note, syng inkstand, 18th century colonist gentleman's clothes).
 1. Grab each object to place it.
 1. The Liberty Bell can be placed to the right.
 2. The clothes can be placed to the left on the mannequin.
5. In the center panel, grab the quill. Keep the pen straight and place the tip of the quill onto the paper to write.
 1. In the top right of the paper, click the grip to reset the paper.
6. In the next panel, there is a wall of faces of the Declaration of Independence signers.
 1. To interact with the faces, select them.
7. On the next stand, there are 6 documents to interact with. When placed on the scanner to the left, they will be enlarged.

1. Select “See Transcript” to see the actual document. Select the arrows to flip through the pages. Take out one document to place another on the scanner.
8. When finished with the experience, teleport to the door, reach your arm out towards it, and select to exit it.
