Odder AR

Equipment: iPad & Odder Book

Set up:

1. Grab and open iPad
2. Open the Odder app
3. Open the Odder book

Controls/Navigation: Finger to select

Gameplay:

1. Will open on the main menu. Select “Enter AR”
2. List of page numbers can be found in the app (“Help” in the bottom middle of the screen or “Help” under “Enter AR” on the main menu) and on the project sign/placard for Lo & Behold. Go to any of the pages listed
3. Put the page into the camera frame of the iPad to see different pages brought to life
4. Flip to a different page to see a different animation
    1. If it doesn’t work when the page flips, select restart in the bottom right of the screen. If this doesn’t work, either restart the app by selecting “Exit” in the bottom right corner of the screen then selecting “Exit Application” from the pop up or go back to the main menu then re-enter (select “Exit” and then select “Exit to main menu”)
