

Rise of The Roots

Equipment: Quest 3 or Quest 2 (Quest 3 preferred) with cable link to workstation computer

Set up:

1. Turn on the headset and create a new boundary. The playspace should be standing and allow for full range of arm motion.
2. Connect headset to the computer through the cable and open the Meta Quest application to complete the quest link (directions for quest link located in Technical Walkthroughs)
3. Put the headset on and open the App Library. Scroll for Rise of The Roots and select it

Controls/Navigation:

- Trigger button to shoot
- Grip button to use two hands on the gun
- Right joystick to turn

Gameplay:

1. Opens on the landing screen. Shoot the carrot to start the game.
2. Vegetables will start running towards the garden behind the player, and the player's job is to shoot the vegetables before they destroy the garden.
3. The vegetables will start moving faster the longer the player lasts and the player can only miss the vegetables a certain amount of time before they lose.
4. The carrot will occasionally shoot bullets at the garden, the player must shoot the carrot and the bullets to protect the garden.
5. The players can focus on shooting the beetroots while grabbing and throwing the radishes.
